# SWIMMING

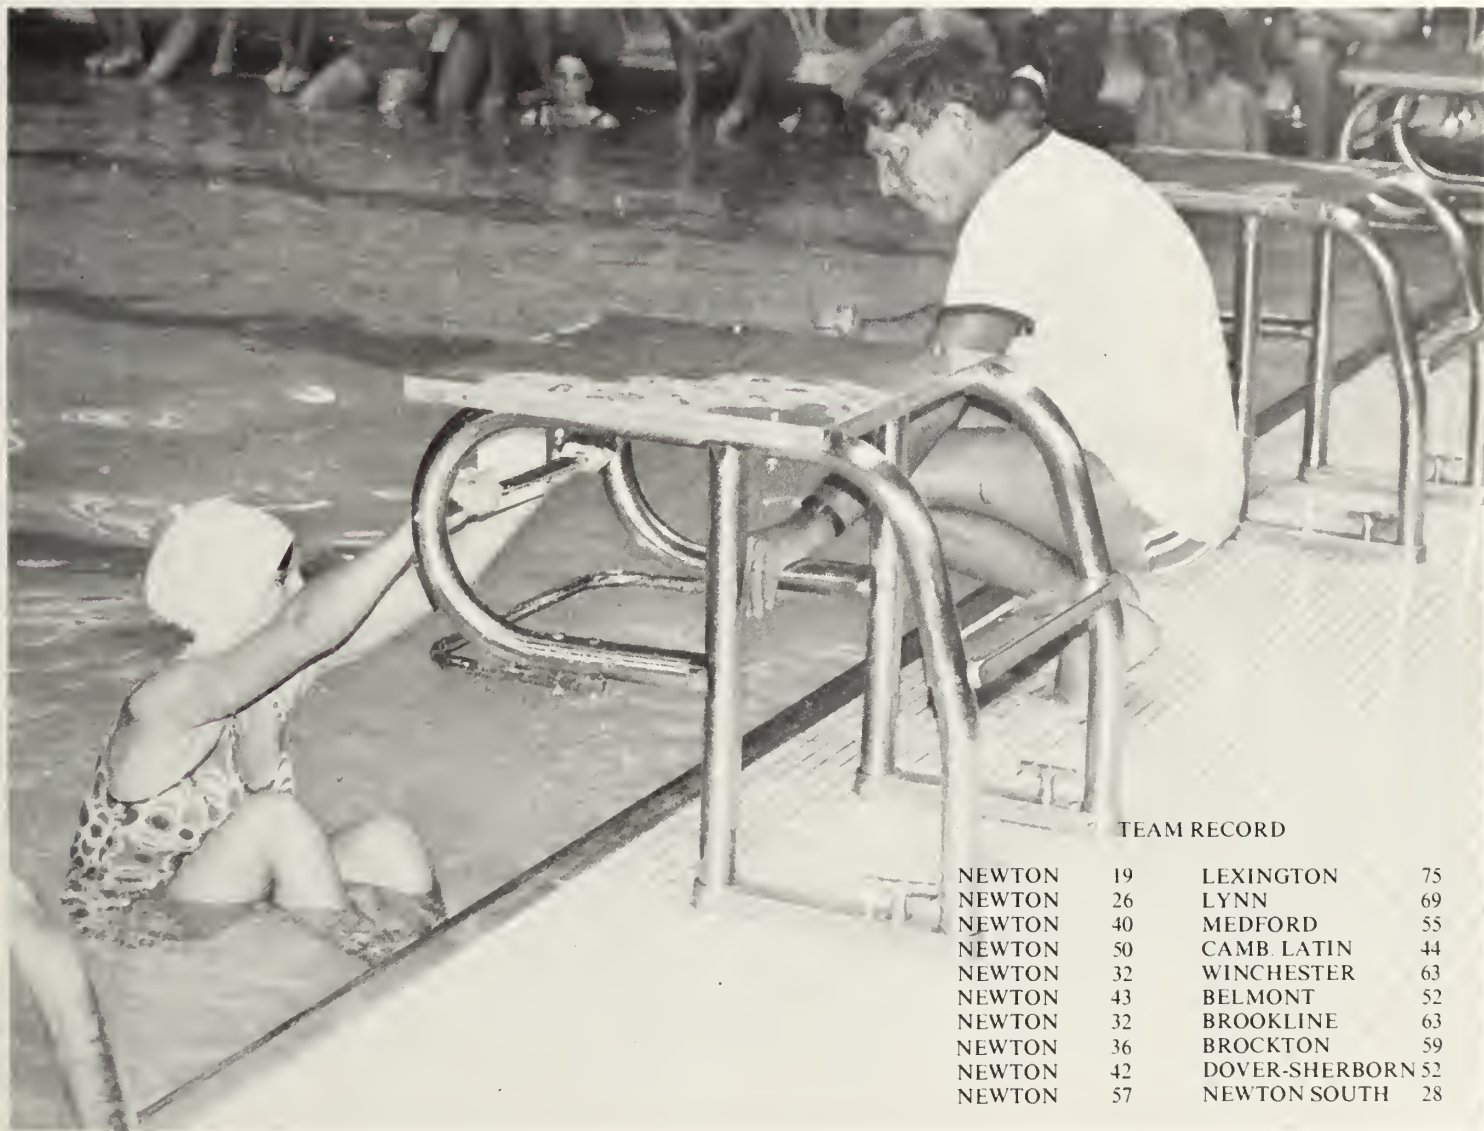

For a first year program, especially on the varsity level, a winning season is a bit too much to ask for. Steady improvement over the course of the season is a more realistic goal that most first year coaches shoot for. In the case of our first girls' swimming team, Coach Benn Merritt achieved his goal. An opening loss to Lexington by an overwhelming score of 19-76 showed that the team indeed had plenty to improve upon. But with the experienced coaching of Mr. Merritt and the leadership of senior captain Judy Robertson, the team showed steady improvement, excitement, and interest.

The team's record does not speak for the total season's achievements. With Judy Robertson placing consistently in various events, Mary Mulvaney scoring in the 100 yd. backstroke and individual medleys, and sophomores Beth Ryan and Renee Bott tallying in the 50 yd. freestyle and 100 yd. butterfly respectively, the team's total point output climbed steadily.

Although they lost to a strong Dover-Sherborn team in the next to last contest the team showed the spirit and determination that Coach Merritt hopes to build a strong swimming program on at Newton High in the coming years.

# RALLY COMMITTEE

*Front row l. to r.: Laurie, Patti, "Kid" Phillips, Mimi, Marjy. Second row l. to r.: Debbie, Gretchen, Nancy, Mary-Ann (chairman), Kerry, Mary, Debbie.*

In a school where spirit is as noticeable as a drop of water in a swimming pool, the rally committee has found their job grow increasingly difficult. But with Newton's strong teams and through such events as the Senior Breakfast (held in conjunction with the Senior Class Comm.) the rally committee has done their best to see that our teams get the kind of support their hard work has earned.

# CROSS COUNTRY

*Kneeling, l. to r.: A. Yun, J. DeMeo, O. Kupferschmid, S. Wrenn, J. Black, D. Syphers, D. Kingsbury (co-capt.), R. Gott (co-capt.), T. Hightower, J. Carleo, M. White, M. Spencer. Standing, l. to r.: R. Schilder, H. Kaplan, R. Raum, J. Kaplan, D. Friedman, J. Ulman, C. Hines, S. Chin, M. Vitello, Coach Joseph Connally.*

Despite some early season woes, the Newton High Cross Country team finished strong to post a 4-4 record and finish fifth in a Suburban League meet.

First the Tigers lost their captain and top runner Dave Kingsbury before the season even started with torn ligaments in his knee. Then Mark Vitello, who last year was the top runner in the junior highs was injured and set back in training. Newton was soundly beaten in its first three meets by Weymouth So., Waltham, and Brockton. However they came back to take four of their last five meets.

The runners first triumph came against Cambridge Latin, a team plagued by lack of interest. With Latin failing to field a complete squad, Newton easily outran the Cambridge men. The Tigers then edged Brookline 28-31. Brookline took the two first places, but Newton's pack took enough of the middle places to earn the win. The strong team, under the coaching of Mr. Connally, then provided an upset win over Rindge Tech, but saw their streak end at the hands of Weymouth North a few days later. In their final meet of the season, the Tigers destroyed Arlington to even their record.

In the Suburban League meet the team finished fifth out of nine teams as Brockton and Weymouth South copped the top two spots. Jonathan Black, Ralph Gott, and Owen Kupferschmid were Newton's top individual finishers ending up 8, 16, and 23 respectively.

Without an outstanding runner this year, the Tigers were forced to rely on a strong pack to take a lot of middle places. The pack did come through often, but the team definitely missed Dave Kingsbury. Had the Tigers been completely healthy this year it would be hard to tell just how much better they would have done. However, considering the injuries and setbacks the 4-4 mark is very respectable. With so many fine runners returning next year, the cross-country future is certainly bright.

# SOCCER

"Soccer? Naw, they weren't so good this year. Got beat by Masconomet in the quarterfinals. I mean who the hell is Masconomet?"

"Don't forget that they won the Suburban League for the fifth straight year —"

"Big deal . . ."

"Plus their 13-1-4 record, not bad either —"

"Sure."

"And eleven shutouts —"

"So what?"

"So how 'bout those two tournaments games they won just to get into the quarterfinals?"

"You know somethin' — we had a pretty good soccer team this year."

"Whaddaya think I've been trying to tell 'ya?"

After two weeks of practice in sweltering heat, the Newton North soccer team came into their opener against Arlington prepared to repeat as Suburban League Champions. But by their fourth contest things looked shaky.

The Tigers defeated Arlington 3-2, and then bested Cambridge Latin in their home opener, 3-1. But a rainy, slippery field and a tough Brockton team proved too much for Newton and they were handed their first loss, 3-2, on a Brockton goal with eight seconds left. Next cross-town rivals Newton South came to Allison and shocked the inept Tigers in a game that was played to a 2-2 draw. Despite strong performances from high scoring co-captain Rudi Viscomi, the team looked more like an also-ran than a league contender.

All early season concern seemed to vanish as the squad ran up a string of fourteen undefeated games, including eleven shutouts. Co-captain Mark Wasserman anchored one of the finest defenses in the league while Viscomi continued on his record scoring pace. The team really put it all together against Brookline and came out with a satisfying 2-0 victory. Then they came back to beat Brockton, hence winning over every league team at least once. High points of the streak were the four goal performance by Viscomi and a big win over Camb. Latin, with Rosenblatt scoring.

# SUBURBAN LEAGUE CHAMP

On the last day of the season, Newton's win over Rindge, 6-0, left them four points on top of Brockton and Cambridge Latin and once again they repeated as Suburban League Champs.

"One game at a time now," said Coach Mike Buzzi and his team did just that. First round draw St. John's Prep of Danvers proved easier than expected, as Newton rolled by a score of 5-0. Viscomi, Rosenblatt, Buck, and Eagle tallied for the Tigers and sparked the team to what Mr. Buzzi confesses is the hardest tournament win of all; the first.

Newton was knowledgeable and prepared when they traveled to Concord-Carlisle the next day to meet Brookline. Despite a controversial six-man defensive alignment by Brookline, Viscomi managed to sneak through the games only goal, advancing Newton into the quarterfinals at Boston College.

Number one seed Masconomet was hardly as invincible as they seemed, according to their undefeated record. Opportunities slipped through the Tigers' hands time after time, and a bad call by a referee cost Newton both a goal and a warning to their rambunctious coach, Bernie Flanagan. At the half they trailed 1-0.

Coming out strong in the second half, Newton looked like they might overtake Masconomet but an opposing forward slipped through and lifted a shot off the Astro-Turf to register the game winner. Newton provided some interesting action as they scored with seven minutes left, but Masconomet hung on for a 2-1 victory.

Much has been said about this game (and the team's overall season's performance), but most observers are in agreement that Newton displayed the type of team control that has come to be identified with this school in the past five years.

# FOOTBALL

Newton North High School has been known throughout the state as the producer of one of the finest football teams in Class A ball. This year, under a new head coach, Norman Walker, the team continued its record of excellence. Although they failed to return to the Super Bowl for a shot at the title, they provided Newton fans with some of the most exciting football we have ever seen, while retaining their rating as one of the top Division One teams.

The season started off on a high note as the Tigers overpowered Greater Boston League opponent Everett in the traditional opener. Early season concern over the strength of Newton's offensive and defensive line play was erased as the team's consistent execution held Everett inside the twenties.

Next the Tigers met up with eventual Super Bowl Champs Brockton. The coaches and players were very optimistic about this game and pre-game emotions were at a peak. But poor execution cost the Tigers and they fell 34-6.

As always Newton fired back from a disastrous game and proceeded to launch a five game winning streak. Behind the powerhouse running of All-Scholastic co-captain Gerry Keleher and the consistent play of co-captain Gardner Oleson, Jay Murphy, and Donny Keefe the squad rolled over five straight opponents. During this string, the team showed exactly why they have the reputation Newton is known for.

Key victories were over Medford and Arlington. At Medford, a windy day saw Newton fall behind 6-0, only to score on a perfectly executed option pass from Bobby Kinsella back to quarterback Cal Moffie, alone in the end zone. John Connally's kick was good and the team had a 7-6 win, the most satisfying of their season. But perhaps the finest accomplishment of this game was the play of Gerry Keleher who single-handedly carried Newton from deep in their own territory to within striking range.

With the team rolling at such a peak, it came as a shock when nearby rival Waltham came to Dickinson Stadium and rocked the Tigers for a 29-6 loss. Newton led at one time but Waltham refused to submit and hung on to win. This put Newton out of contention for a Super Bowl bid, but did not quell the excitement building up for the annual Thanksgiving day clash with Brookline.

This year's sight for the game was Northeastern's Parsons Field, properly attired with a new artificial surface. Newton came in as a heavy favorite, with Brookline sporting a poor 1-6-1 record. Records don't always tell the truth as was shown when Brookline marched 68 yards for the score on their first possession. Newton came right back however behind the running of Gerry Keleher and the leadership of senior signal-caller Cal Moffie, finally tallying on a Moffie to Connally strike. Moffie hit Haratunian for the second score before the clock ran out. Three second half scores clinched the win: Keleher on a run, Marrella's run, and Kinsella's strike for six.

All-Scholastic co-captain Gerald Keleher capped a three year career as a starter with a 219 yd. performance against Brookline. This left him with 1002 yards for the season, which qualifies as the best production by a Newton runner in twenty years, and second on the all-time Newton record list.

Obviously the Newton football team would have liked to repeat as Super Bowl participants, but the fact that they failed to do so does not wipe out their accomplishments. Norm Walker, and his coaching staff of Peter Capidilupo, John Passmore, Patrick Coleman, and Timo Phillips did a fine job in preparing the team for every contest. And once again Newton North proved that they deserve the kind of recognition and support they have received for the past two decades as one of Massachusetts' finest football programs.

# SENIOR BREAKFAST

Maybe the reason that events like the senior breakfast are held is to raise money, but judging from the pictures another reason is evident. We lack a certain amount of school spirit, which such events try to produce. A good turnout for the senior breakfast on a bright, sunny day produced what might be the only smiles ever seen while eating in our cafeteria. Then the patrons filed out into Dickinson Stadium to watch the football team drum Weymouth.

Close, but no cigar . . . That was last year's girl's field hockey team. Missing the championship by one point meant that this year's team had a lot to make up for and they did just that, posting a superb record of 7-1-2 and bringing Newton their first Suburban League Field Hockey Championship.

The season started slowly. Two ties and a win were had before the squad rolled up those seven straight victories to finish on top of this rather competitive league. Great goal tending backed by a strong defense which allowed only four goals in the entire ten game season accounted for a major part of the team's success. While the defense stymied the opponent the offense was able to produce an average of two goals a game. The girls had their best effort of the season when it counted the most. They entered their game with Cambridge Latin needing a win to ease the pressure for their next contest with Brockton and insuring them at least a slice of the championship pie. A superb effort gave them a 1-0 victory and Newton had its first field hockey crown ever.

# GIRL'S BASKETBALL

The leadership of a new coach and a different method of play helped combine to improve the girl's basketball team to a successful season. Capitalizing on their height and speed, this year's varsity was able to top last year's record. Running, an essential part of the game plan, helped the Tigresses to quick baskets while their defense forced the opponent's outside perimeter shots.

Although the Suburban League has always provided stiff competition, the addition this year of Weymouth, North, and South heightened the challenge. The Tigresses also met non-league opponents Newton South and Lincoln-Sudbury. An important quality this year's team had was hustle. In many games the team fell behind by as many as 10 points going into the final quarter. But team spirit and pressure helped the team to victory. In a game against Weymouth South, the team was able to score 20 points in the final quarter, while holding their opponents to only 4, giving them the win, 53-51. Bench strength helped greatly, players coming in often sparked the team to a much-needed rally.

This year's underclassmen are left with an unusual amount of playing time and experience, received on both the varsity and junior varsity levels. The junior varsity took their league crown for the third straight time. The prospects for next year's team look very good indeed, especially if they pay their 5¢, which they all know is so important.

# BOY'S HOOP

For those who care to chronicle the basketball season, and for those who care to remember it, sit down, catch your breath (if you can by now), and see if you can remember: — Jack Ryan's twisting drive for three points to nail down the C.M. win — Keith Glasser's shootout against Peabody — Mark Wasserman's stingy defensive work against the top Suburban League pistols — Steve Forte's sensational showtime ball handling and sure hands — and All-Scholastic captain Peter Laskaris's consistent domination of both the offensive and defensive boards. It was Pete's unbelievable ability to snatch rebounds from any position and sky high to reject a soft shot that brought the basketball team to the Tech Tourney for the second consecutive year. Despite extremely tough workouts run by Coach Jerry Phillips, the team dropped their first 2 games. Then they went on to win five in row, which gave them high hopes. These hopes were confirmed by dazzling wins against CM, previously undefeated, Peabody, and Brookline. Then a 34 point effort by Laskaris capped a win against Weymouth So. and the Tigers were in the Tech.

Every year it is stated that Newton North High has never had a losing season in either indoor or outdoor track, and of course, we'll say it again. Posting a 5-3 record while competing in the top league in Massachusetts, the team showed steady improvement and showed people that their long-standing unblemished record is not about to come to an end. In one of the most exciting meets of the year, the team met Rindge Tech. in a showdown for the runner-up spot in the league. The vastly improved Rindge team squeezed out a victory only after many close and questionable calls that most observers felt could have gone either way. The team marked their steady improvement by blowing off Arlington in their last league meet, 69-17. Their victory came on the strength of wins in *every* event, a rare performance. Critics might point out that this statistic only accentuates *Arlington's* weakness, but the times of those wins showed that the team had come a long way since the first meet. Under the guidance of Coaches Boyle, Yaitanes, and Malone they improved greatly. The athletes most responsible for that improvement were: Artie Murphy, a hard-working miler — Ken Tocci and Rich Raum, two consistent junior 600 yarders — Bobby Meek, an outstanding 300 yarder — Bill Fulton and Bill Seaward, providing points in the hurdles and high jump — and captain Pete Waxman, a three year runner who placed consistently in the dash events. This season marked the first running on the new track facility, one which will be put to good use in the future.

Sub. Leag. — 5th place.

It is extremely rare for a coach to have the ability to maintain the respect and admiration of his athletes over a long season. And it is rarer to find a coach who has held this high level of competency for more than a few years. Coach Lamoine Boyle is an exception. He has coached the Newton North High School indoor and outdoor track teams for more than three decades, and his perception in relating to his runners is unparalleled. Mr. Boyle brought to his position at Newton the experience gained from being an Olympic qualifier in the broad jump, a world-record holder in the dash, a stand-out athlete in college at the University of Pennsylvania, and a dedicated teacher. His work with athletes over the years has benefited the school, but more importantly he has given those boys the guidance so necessary at that age. This year's track team hold him and all he stands for in highest regard and respect.

Peter Waxman — Captain  
Indoor and Outdoor Track 1974

Dismal. Like a green Christmas, a rainy Sunday, or a double period of math. That's the one word to describe the first half of the past hockey season. After totally falling apart in their first five games and being handed an 0-4-1 record, first year coach Don Crowley turned things around and Newton came back to post a very respectable 6-2-3 record over the remainder of the year and came up with a 6-6-4 record in the always tough Suburban League. The icemen ended up fifth in the league, but not before registering some near upsets over top teams.

Early seasons losses to Weymouth North (4-1), Brockton (3-1), and Arlington (6-1) removed pre-season optimism. But subsequent 3-2 victories and 3-3 ties raised some hopes, particularly because the ties were so close. The high point of the season was the explosive 3-3 tie against Arlington in the Arena, with the year's largest crowd looking on in frenzied elation. A last second goal by Arlington was all that stopped Newton from scoring the year's biggest upset win. The Tigers were led this year by senior skaters Steve Donovan, Dave Chapman, Space Connally, Frank Bodengraven, and Jeff Senior. Providing added strength were returning juniors Dave Solomon, John Carey, Ray Valente, Rich Cavanaugh, and goalie Joe Steele.

Gymnastics is a sport that is controlled by one variable: practice. Luck and chance have little or nothing to do with the ultimate outcome of a gymnastics meet. Relying on the experience of a cluster of senior gymnasts, this year's team, coached by George Jessup, posted a 7-4 record, their best in four years since the days of a Newton North gymnastics dynasty. Co-captains Bob Hogdon and Tony Webber led the team, with Hogdon scoring his best routines on the high bar. Webber placed consistently high in the parallel bars, and also chipped in needed points in the floor exercises. Other top performers were Mitch Baker, who scored in the high bar, rings, and floor ex, Nicky Annessi on the rings, and Kevin Gudjeko in the vaulting. Coach Jessup was pleased with the record but felt that the team had a chance to win every meet. In the State qualification meet at Brockton, Newton placed a sole competitor, Tony Webber in the parallel bars, on the line-up. Two boys went 'all-around' on at least one occasion. Bob Hogdon and Mark DiBenidetti both competed in all six events in a single league meet. The new gym facility proved valuable, if one can call getting run over by a sprinting trackman a virtue. The trick to avoiding such incidents is to listen for the cry, "Track!", at which time the gymnast in question was to move off the track and out of the way of the runner. But trying to listen for that cry was made difficult by the overwhelming and mind-boggling voice of Coach Jessup, whose megaphone voice needs no megaphone.

# GIRLS GYMNASTICS

Girl's Gymnastics Team: *Front* — Kathy Magraw. *Second row* — (l. to r.) Emily Semmel, Gail Blauer. *Third row* — Jenny Barber, Gail Whoriskey, Mary Pendergast, Julie Meyers. *Back* — Judy Robertson, Co-captain Ann Hurwitz, Co-Captain Margie Magraw. Missing: Coach Joanne Randall.

The beauty and grace that *is* gymnastics are not qualities of an athlete that are easily come by. Anyone associated with the sport is fully aware of the work and determination that combine to make a gymnast excel. This year Newton North Girl's Gymnastics team went undefeated in the regular season. They then proceeded to place second in the State Meet held out at Greenfield, Mass. The main reason for their sensational record was their co-captain (for the second year) Margie Magraw. Margie capped a phenomenal three year career by finishing first in three of four events and bringing the team within 2.4 points of their second State title. Certainly Newton High will wait a long time to witness an athlete who so dominates their sport as Margie has the past three years here.

The team reached an all-time school high on January 29, as they scored 90.9 points in a regular meet to shatter existing marks. The points were produced by every competitor for Newton, with Margie Magraw and Julie Meyers scoring strongly. Mrs. Randall, entering her fourth year as head coach, was also thrilled by the performances of sophomore Kathy Magraw, junior Amy Semmel, and senior Jenny Barber. Rounding out the team and scoring consistently high in other meets were co-captain Ann Hurwitz, Judy Robertson, Gail Blauer, Gail Whoriskey, Mary Pendergast.

The extremely emotional and highly excitable team came into the season determined to defend their State title and willing to work as much as needed to achieve that goal, and but for a few points they succeeded phenomenally.

After enjoying a restful and relaxing night at a nearby motel, the girls drove out to Greenfield High prepared and excited. The nervousness and anxiety of competing in such a meet were handled coolly by the team, who were returning to the showdown for the third consecutive year. In the first event they did well, scoring 24.90 points, tops for the field. Margie Magraw placed first. In the vaulting, they slipped to second with a 23.75, Braintree scoring 24.60 for the first. In the balance beam, an event that demands skill and practice, Newton's work paid off with a first and another 24.05 points. Leading by a narrow 2.50 margin going into the final event Newton seemed a likely repeater for the state crown. But the uneven bars are tricky and Braintree edged the girls for the title 92.35 to 89.40.

# WRESTLING

Wrestling Team: *Front row — l. to r. —* Bobby Keefe, Mike Mulcahy, Mark Siegenthaler, George Hebard, Don Keefe, Cliff Brown, Mark Riley, Kevin O'Halloran, Mark Trumbull, Jeff Wilson, Mike Annesi, Jimmy Glick, Paul Siegenthaler, John Jordan, Steve Parker, Tom Barrett, Steve Bianchi, Tony Pellegrini, Doug Pepper, Bruce McNulty, Russ Gadia, John Rosenfeld, Steve Rosen, Robert Coakley, Jon Monihan, David Barenberg, Tony Pescosolido, Steve Harry, Jon Trumbull.

Ever walk into Room 2745 during wrestling practice? Well if you haven't, consider yourself fortunate. The air is hardly reminiscent of a fresh spring day. Many people say that wrestling is the toughest sport played here, and few can doubt it. Training does not end at the finish of practice each day, because weight is such an important factor. The sight of a 170 pound senior eating lettuce and water for lunch is enough to make anybody wary of going out for wrestling.

Those boys that did participate this year posted a weak 4-15 record, but the season was not a total loss. Newton boasted several fine grapplers who placed well in the various individual post season competitions. George Hebard, wrestling at 121 pounds placed 2nd in his section, as did Donny Keefe at 167 pounds. Keefe also did well enough to earn fourth place honors in that class statewide. Steve Rosen and Bobby Keefe placed fourth in the sectionals at 128 and 147 pounds respectively. Others fine wrestlers included next year's captains, Tony Pellegrini at 134 pounds, and Bruce McNulty, at 157 pounds. Big men Mike Mulcahey and Mark Riley both did well for first year men in a sport where experience is so very vital to success. Unlimited heavyweight Tom Barrett was plagued by a lack of experience, but worked hard and should be stronger next year.

High points of the season were strong wins over Melrose, and Brookline. A tough match was lost to Newton South mid-way through the campaign, with South dominating the heavier weight classes. First year coach Pat Coleman is pleased at the progress made this year and looks forward to improving this year's mark next season.

# SWIMMING

The ability of a coach to extract from his talent 100% effort is essential to any team, but even more so if that team is in its first year of competition. Such was the case with this year's swim team. Mr. Merritt was pleased with the improvement of the team and the promising signs of a strong Newton program. The team record of 3-9 is not indicative of their improvement.

Oddly enough, the team opened strong, with a double dual meet victory over Rindge Tech and Cambridge Latin. From that point the team slumped, losing five straight times. The victory at Brookline was the last of the year, as the team faced stiff competition, losing the last four meets.

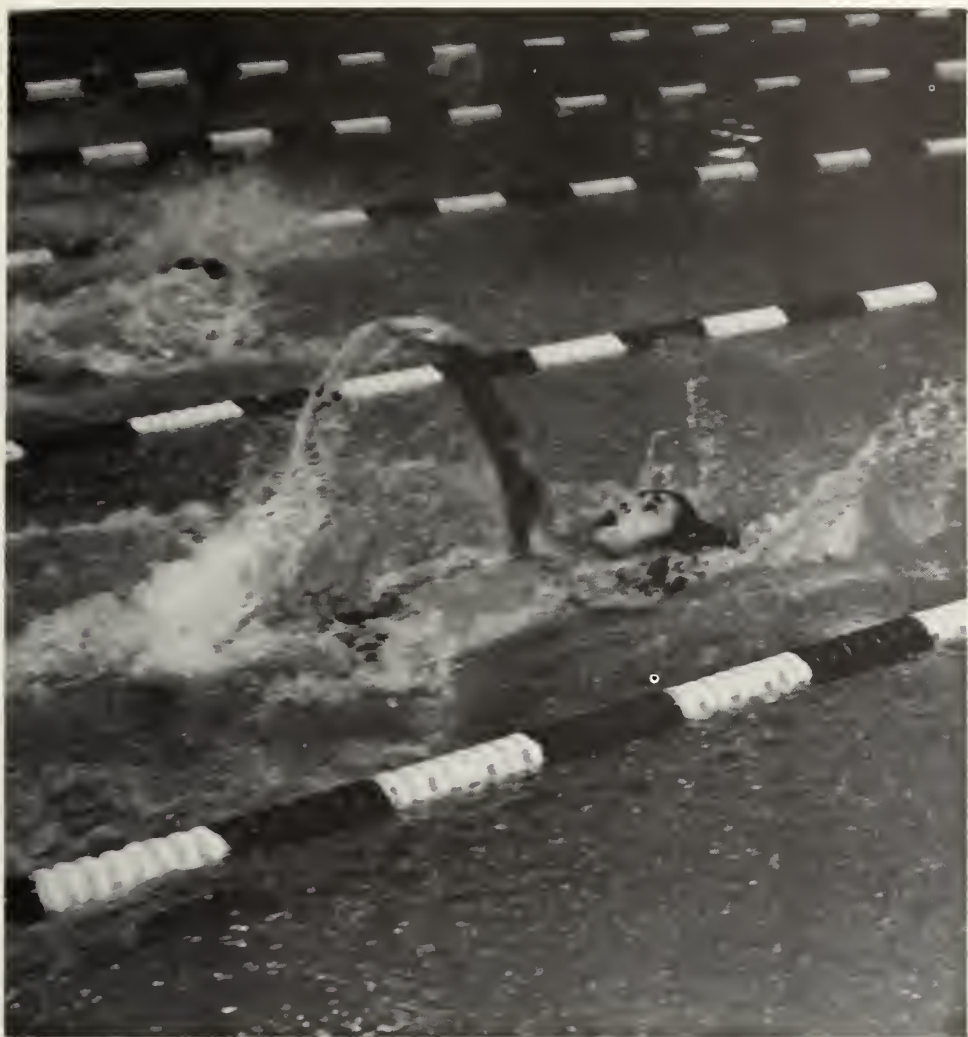

Top performers for the team were Gil Pementel, Scott Eston, Scott Pohlman, and Dale Syphers. Dave Fishkind did well in the diving, while Kurt Pohlman placed consistently in the breast-stroke.

Boy's Swimming Team: *Front row* — (l. to r.) — Co-captain Scott Eston, Co-captain John Mescall, Paul Gentile, Martin Waters. *Second row* — Ken Freedberg, Jeff Albert, Tony Galvagno, Joe Donarto. *Third row* — Dan McPherson, Mark Wesster, Bob Bontempo. # RIFLEMAN

**SOLO!**

Seldom do casual music buffs receive the opportunity to attend the performance of an artist who is at the top of his field, but on January 31 the Newton North High community was treated by the appearance of Phil Wilson, the renowned trombone virtuosi. In their premier performances of the year, the Jazz Ensemble and Concert Band exemplified the hard work that they have put in since September by providing the audience with bright, flashy, and tasteful selections of musical masterpieces. Highlights of this evening of solos were presentations by Scott Karras (opposite page — top), doing *Timetable* on drums, and a reading, *A Lincoln Portrait*, by Steve Bronk. Mr. Wilson left the audience amazed with his incredible range of notes and chords in pieces alone and with the Concert Band. And his close, personal communication with the appreciative audience created a very pleasant, enjoyable evening for those in attendance.

1973

Thirty girls on roller skates, on stage, and in step was an impressive enough sight to leave any patron breathless, but the 1973 production of 'Funny Girl' did not stop there. The brilliant dancing in 'Rat-Tat-Tat-Tat' floored everyone all four nights and splendorized an already fine performance.

'Funny Girl' was the first major musical production to be staged in the new auditorium, and while the fresh surroundings were certainly appreciated they did present the directors certain unique problems. Artistic director Raymond Smith chocked up another fine task by co-ordinating the set design, lighting, and movement with professional ease. And for the first time the dances were directed by a student: the results were dazzling.

The orchestra was directed by Mr. Gary Good, and as usual did a fine job. The production this year was also unique in that the cast was mainly responsible for a great deal of the chores, including costumes, props and set design.

It's hard to say that 'the magical mysteries performed' on the nights of 'Funny Girl' will never be repeated in the new high school, but this much can be said: the premier production in the new Newton North High School left the audience raving, the cast beaming, and the building rocking in a manner that will be hard for future shows to exceed.

# A.F.S.

The American Field Service (A.F.S.) Club has made a big come-back into Newton High. A student from the Republic of South Africa — Colleen Butcher — is here for the year, living with Betsy Howard and her family, and Betsy Gerlach has been selected by the Newton Chapter to go abroad to one of the 62 countries in which A.F.S. operates. At present the club has 46 members in the High School, and more and more students are becoming interested in its activities.

One of the club's main objectives has been to bring a touch of the other countries into the school. Regular slide-shows with speakers are being held to this effect, and the first, with slides and speakers from Africa was greeted with enthusiasm by the people of the school. An International party was held, and the American and foreign students who got together had a great time.

The club is also working hard on arranging a 10 day — long short — Term Exchange for some of its American members with a rural community in Upstate N.Y.

The A.F.S. Club wishes the people of Newton High to "Sala Khahle" (Stay in peace).

# METCO

METCO: the Metropolitan Council for Educational Opportunity. Opportunity is the key word in the program's name. The creators of METCO, including parents, students and community leaders, saw METCO as an opportunity for black youngsters to receive a more diversified and better quality education. However, that quality in education just does not wait in the foreign classrooms of METCO participants. A student involved in METCO must be self-motivated enough to go out and earn that advantage.

In the early 1960's and before, black parents repeatedly attempted to seek positive change in the Boston Public School system in an effort to improve the educational opportunities of their offspring. Frustration with the endless chain of red tape involved in the hierarchy led to the birth of the original METCO program. In 1966 suburban communities surrounding Boston joined with the parental group and METCO was born.

METCO became a corporation in March of 1966, and a board of directors began meeting regularly. In June 1966, money became available from the United States Office of Education under Title III of the 1965 Elementary and Secondary Education Act and from the Carnegie Corporation of New York. This funding carried METCO for about three years. Since then the program has been funded by the Commonwealth of Massachusetts under the state's Racial Imbalance Act. The finances cover tuition, transportation, and other administrative expenditures.

## NEWTON HIGH 1859-1973

*Now its all gone. Only a few mounds of dirt are left.  
Last week there were rocks and rubble at least,  
now only red, orange, yellow tractors, pushers, pullers,  
little boys at play, match box cars  
in parking lots on either side of the play area.*

*We'd all moved out several months before.  
Late June saw grown adults unscrewing pencil sharpeners  
and toilet fixtures. We left the rest to professional wreckers.  
We thought we'd taken and given all we could.  
Now under our big red schoolhouse we wondered what, if  
anything, precious was dragged away with the wreckage.*

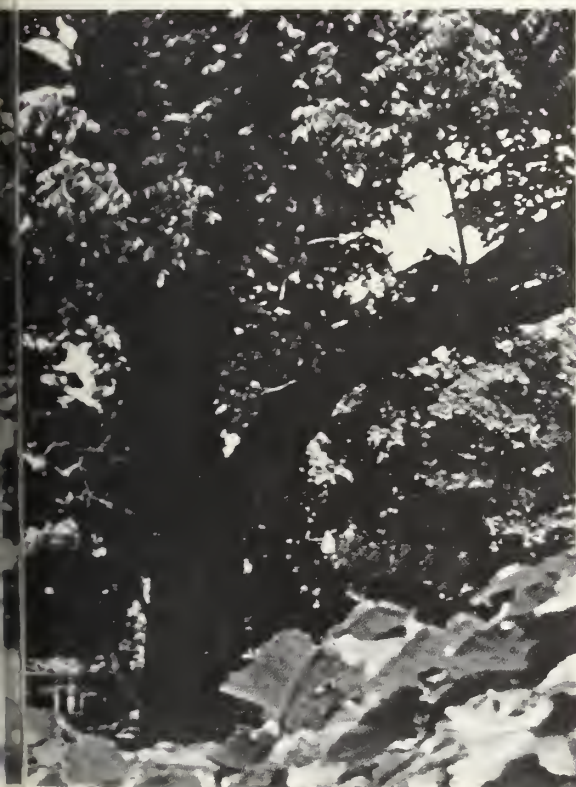

*There was something euphoric about watching  
it all go down — at least the first blows.  
It just wouldn't submit in the ordinary way;  
it put up some resistance.  
A small band of its fervent haters helped  
it along, tossed bricks and bottles at its corpse.*

*With the first loud whacks,  
the giant ball bounced off its sides  
Then it was all over.  
Justice would have had it  
blown to bits, old feuds and younger demolition  
squads doing the job for cheap  
With the slow death people remembered better  
moments and that's a bother.*

# LIBRARY

Library Staff (l. to r.): Mrs. Saleeby, Mrs. Ahearn, Mrs. Moriarty, Mrs. Gilbert, Mrs. Nabseth, Mr. Harley, Mr. Connolly, Mr. Beatty.

# HOME ECONOMICS

Home Economics Department; Mrs. Woodbury (teacher-in-charge), Mrs. Shriber, Mrs. Ward, Mrs. Henigan.

The Home Economics Department has greatly improved its programs in child development and early childhood education. The laboratory for observing and developing skills in working with small children has been invaluable in the training of Kindergarten Aides. The Clothing and Textile and the Foods and Nutrition laboratories are pleasant and well-equipped rooms which lend themselves well to demonstrations and the practical skills of Home economics.

Language Department: Mr. Davis, Miss Vallone, Mrs. Neufeld, Mrs. Waters (Head of Department), Mr. Flanagan, Mrs. Fenn. *Second row l. to r.:* Mrs. Sanders, Mrs. Jewett, Mrs. Meyer, Mrs. Hogan, Mr. Rude, Mr. Steinert, Mr. Clark, Mrs. Cox, Mrs. Degnon, Miss Cohen. Missing Mr. Phelan.

The new building has resulted in closer contact between members of the department and between teachers and their students. At the same time increased physical facilities serve to make our program more viable and flexible. The opening of our Cafe International has greatly enhanced the cultural and conversational aspects of language learning. Our new language laboratory will provide further opportunity to improve language skills.

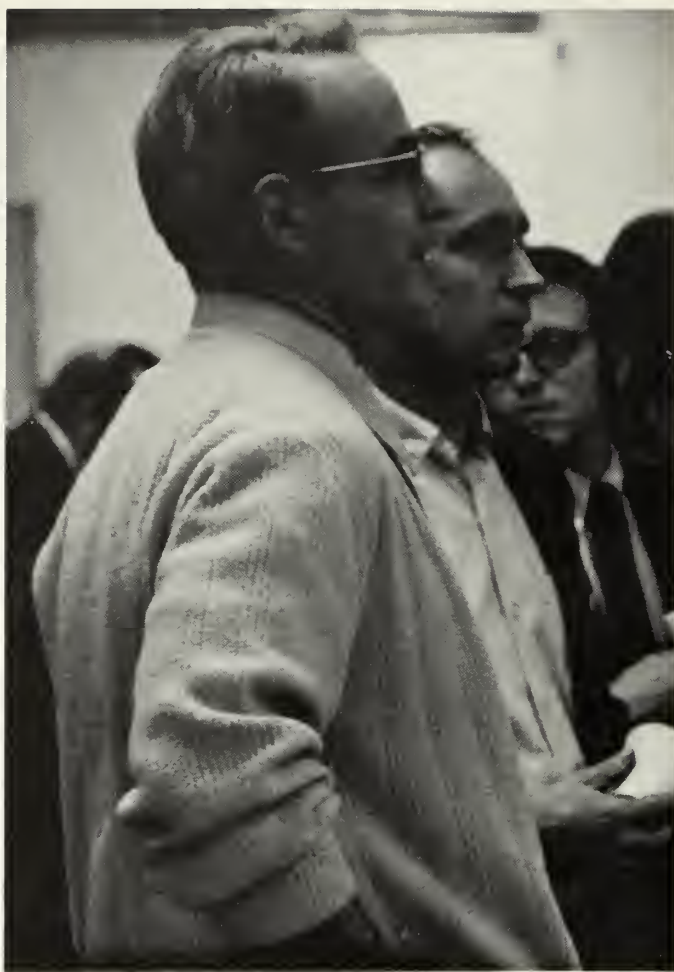

## LANGUAGE

Physical Education Department: Linwood Gatley, Michael Buzzi, James Ronayne (Faculty Manager), George Jessup. Missing: Mr. Merritt.

*Hold still Mr. Jessup!*

Fred Yaitanes

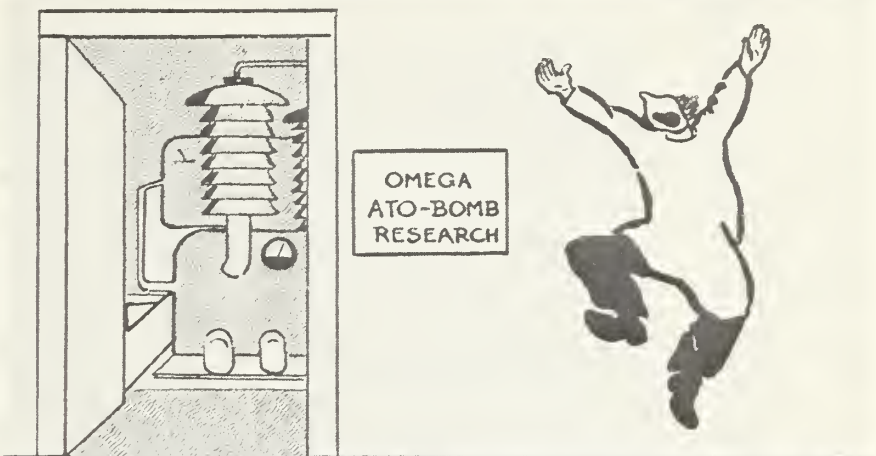

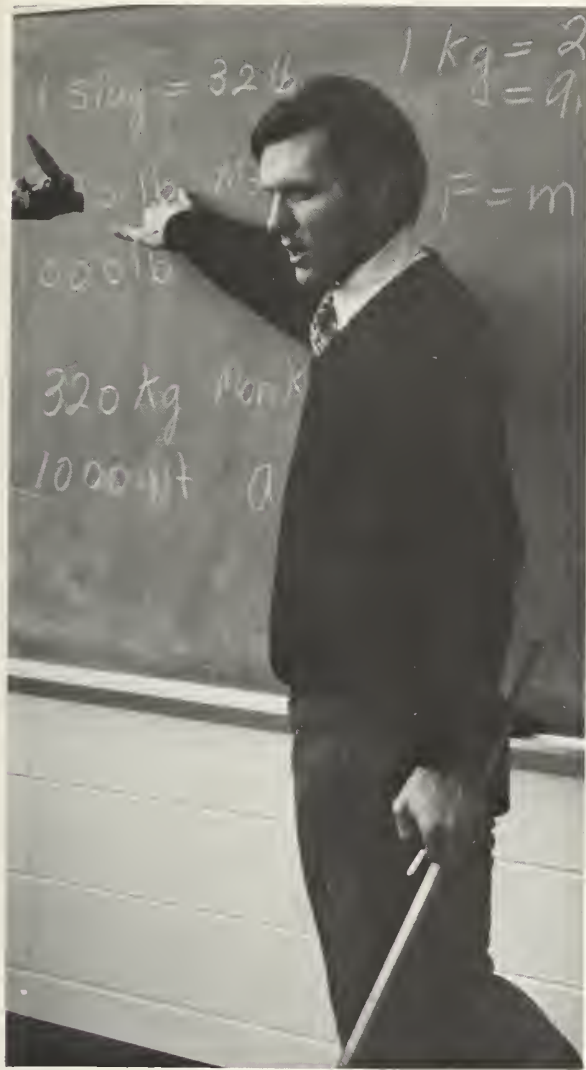

Science Dept.: *Sitting l. to r.* Rachel Sheridan, Ruth Hansen, Sheila Redhead, Deborah Gerstein, Karen Simat. *Standing* — Jacob Skilken (Dept. Head), Virginia Fano, George Martins, Stu Rist, Frank D'Agostino, Jim Mattera. *Second row — standing* — Chris Jones, David Belmarsh, Monty Wells, Ernest Nicol, Howard Spielman.

Science Dept.: *cont.* — Bob Malone, John Milne, Harold Wiper, Lynne Freeman, Frank Spitzer, Gretchen Ainley.

The most important benefit we have from the viewpoint of both teachers and students is a classroom laboratory for each science teacher. This permits work in progress, particularly laboratory experiments, to go on undisturbed for prolonged periods of time. Our new facilities also include a greenhouse, a dark room for photography, two small lecture areas for combining classes, preparation and project areas between classrooms, and a "science kitchen." Clusters of 2, 3, and 4 rooms tend to bring teachers with similar interest and in some cases, teachers with diverse interests, closer together. This makes for better communication, planning, interpersonal relationships, and synthesis of interests.

... the wonders of modern science.

# REGGIE SMITH

## 1913-1979

On February 10, the Newton community was deeply saddened to learn of the death of Mr. Reginald Smith, the athletic director at Newton North High School and a member of the faculty for 35 years. Smitty can best be remembered by the beautiful new gym facilities which he single-handedly developed and saw constructed. Smitty was an organizer, a natural leader, and an innovator. Under his tutelage, Newton North High School rose to be one of the top athletic high schools in the United States. He co-ordinated the programs of over 40 teams in 16 sports during his career which spanned three decades. In addition to being the athletic director, Smitty also held several coaching positions, including tennis, basketball, and baseball.

Most men would proudly stand up and take credit for their achievements, of which Smitty had many. But he preferred to remain quietly in the background when the time came for testimonials. Reggie tried to instill in his coaches the same type of drive and determination that he possessed. It is no coincidence that the sports record of Newton North High School during Smitty's tenure is outstanding as it is. People are surprised to learn how hard Reggie worked, not only in his role as A.D., but in other areas, including his community and his alma mater, Springfield College.

Future students will ask about Reggie Smith and his accomplishments. No doubt they will pose these questions to their educators, and the single, most definitive answer to be given will be: the school in which you now stand. His career at Newton is a cherished and fond memory for anyone and he will be sadly missed.

"Wot'sa matter, Jake? Yer lookin' sick-  
wot is it?"

"Work! Nuffin' but work, work, work,  
from mornin' till night!"

"Ow long 'ave yer been workin' 'ere?"

"Start tomorrer-"

*Sympathetic friend; "B-i-l-l-ll! Lend us yer skates; you ain't using 'em!"*

*Guidance counselor:* "And — er what does Johnny want to be when he grows up?"

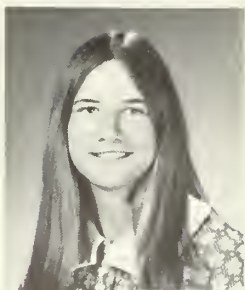

*Mother:* "Well, he says he wants to be a lawyer."

*Guidance counselor:* "A lawyer, eh?" Criminal, or tax lawyer, or what?"

*Johnny (firmly):* "Cash."

#### TO ELMO

Elmo Albert Church  
Went to Newton High  
He started as a sophomore  
Just a little guy

He came to hate the high school  
No less than one week  
All the kids made fun of him  
He wasn't where it's at

He didn't like the football  
In front of Building One  
And soon he found that Building Three  
Just wasn't any fun

Hated Building Two  
Because he hated Language Lab  
He hadn't yet acquired, you see  
The gift of foreign gab

There wasn't much that Elmo liked  
About the school, in fact  
Except for getting out the doors  
At two-thirty-two, exact

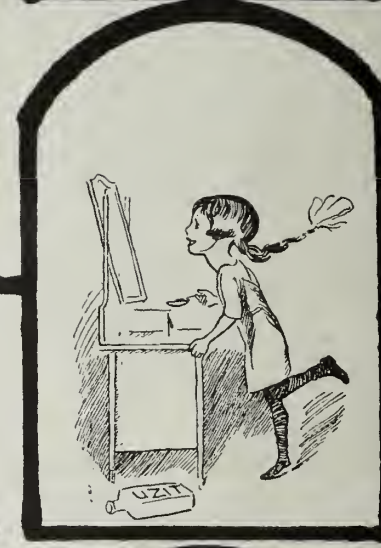

He had a D-S in French  
But even that was bad  
He wasn't the only one  
Of the French class

He didn't like the switch  
There was a switch in school  
But Elmo didn't know and was bent  
On break

By mid-term he had made the news  
False fire alarm, no mint  
The Newtons had it down  
And Elmo was in

He never made the yearbook though  
(His crime had not been cleared)  
And in the spring of '74  
Poor Elmo disappeared

### GOOD ADVERTISEMENT

"I used your soap two years ago; since then I have used no other."

Mr. Fife (the butcher): "Good morning, Mr. Chatham! You're a lawyer and I want your advice. What can I do with a man whose dog steals some meat from my shop?"

Mr. Chatham (the lawyer): "Demand the value or summon the owner."

Mr. Fife (victoriously): "Then I want six dollars and sixty cents from you sir! Your dog there ran away with a piece of steak of that value last night!"

Mr. Chatham: "Hum-ah-h'm! Then if you'll hand me over twenty-cents, we shall just be square Mr. Fife — as my fee for such a consultation is six dollars and eighty cents!"

Instead of the usual 3 or 4 years, you sign up with us for just 2 years.

It's not 2 years on a take it or leave it basis either. You get a choice.

You can choose your job training or, you can choose to serve in Europe. Either way you won't come out empty handed after two years.

Along with our 2-year enlistment, today's Army is announcing a new salary. \$326.10 a month, before deductions. With a raise to \$363.30 in just four months.

Of course, you'll get all our other benefits. Meals and housing are provided. Medical and dental care are free. Plus, a 30-day paid vacation every year.

These are some of the job training courses available to you under our new 2-year enlistment option.

Beautiful clothes.

You're about to take a giant step forward into your future. We think we can make it the bright one you want it to be at New England Telephone. With a job that's every bit as big as your ambition. You see, we need people. With all kinds of talents. And especially, people who really want to get going with their future. And want to be rewarded with automatic raises. If you want a job and a future that's tailored to your talent... along with unusually generous fringe benefits, stop in and see your guidance counselor. Ask when and where you can apply for an interview with the people who want to make your future as happy as you want it to be.

# TECH

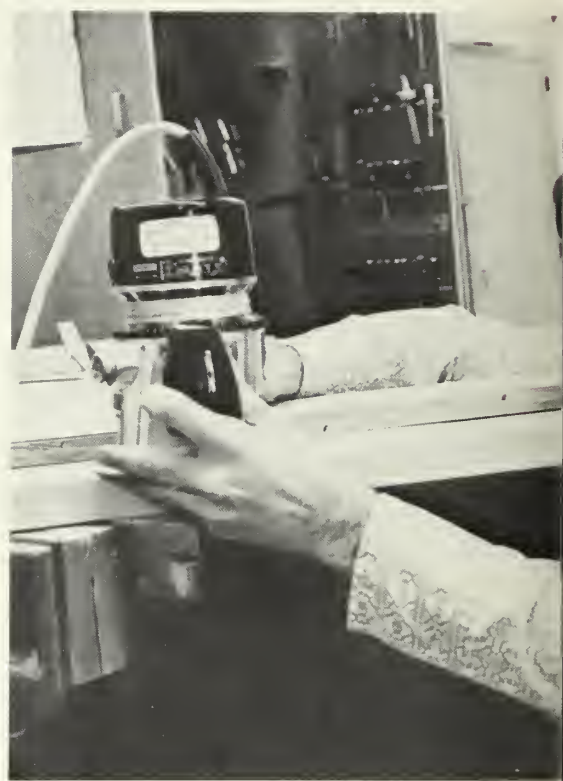

*People argue that Tech high should become an integral part of Newton North High.*

*People should mix-better school relations.*

*However the differences between  
Tech High students and the rest of the  
student body remain.*

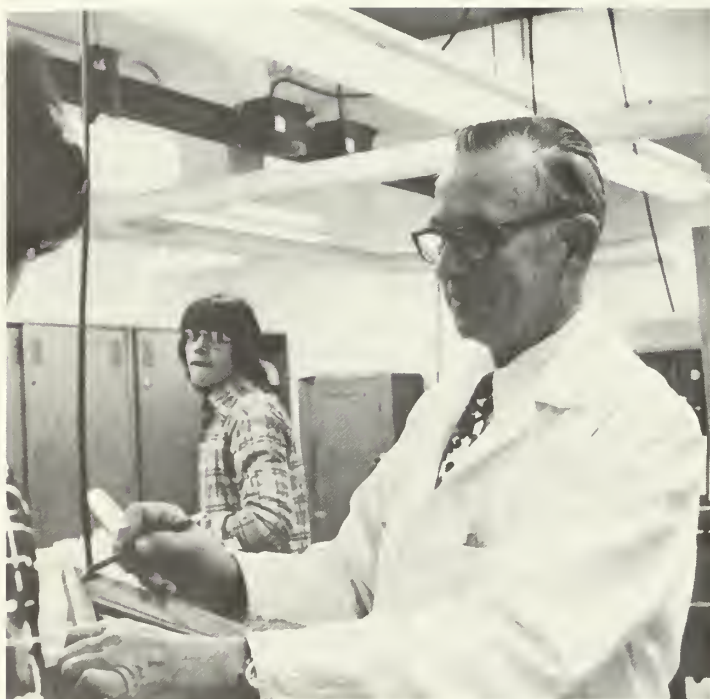

*They know what they want and they're getting  
the learning necessary to achieve that goal.*

*Their work is as important as any in this school. Their knowledge of highest relevance-their capabilities unique.*

*Tech High in 1974: Equal? — yes. Important? — yes.*

*Independent? — Unequivocably yes.*

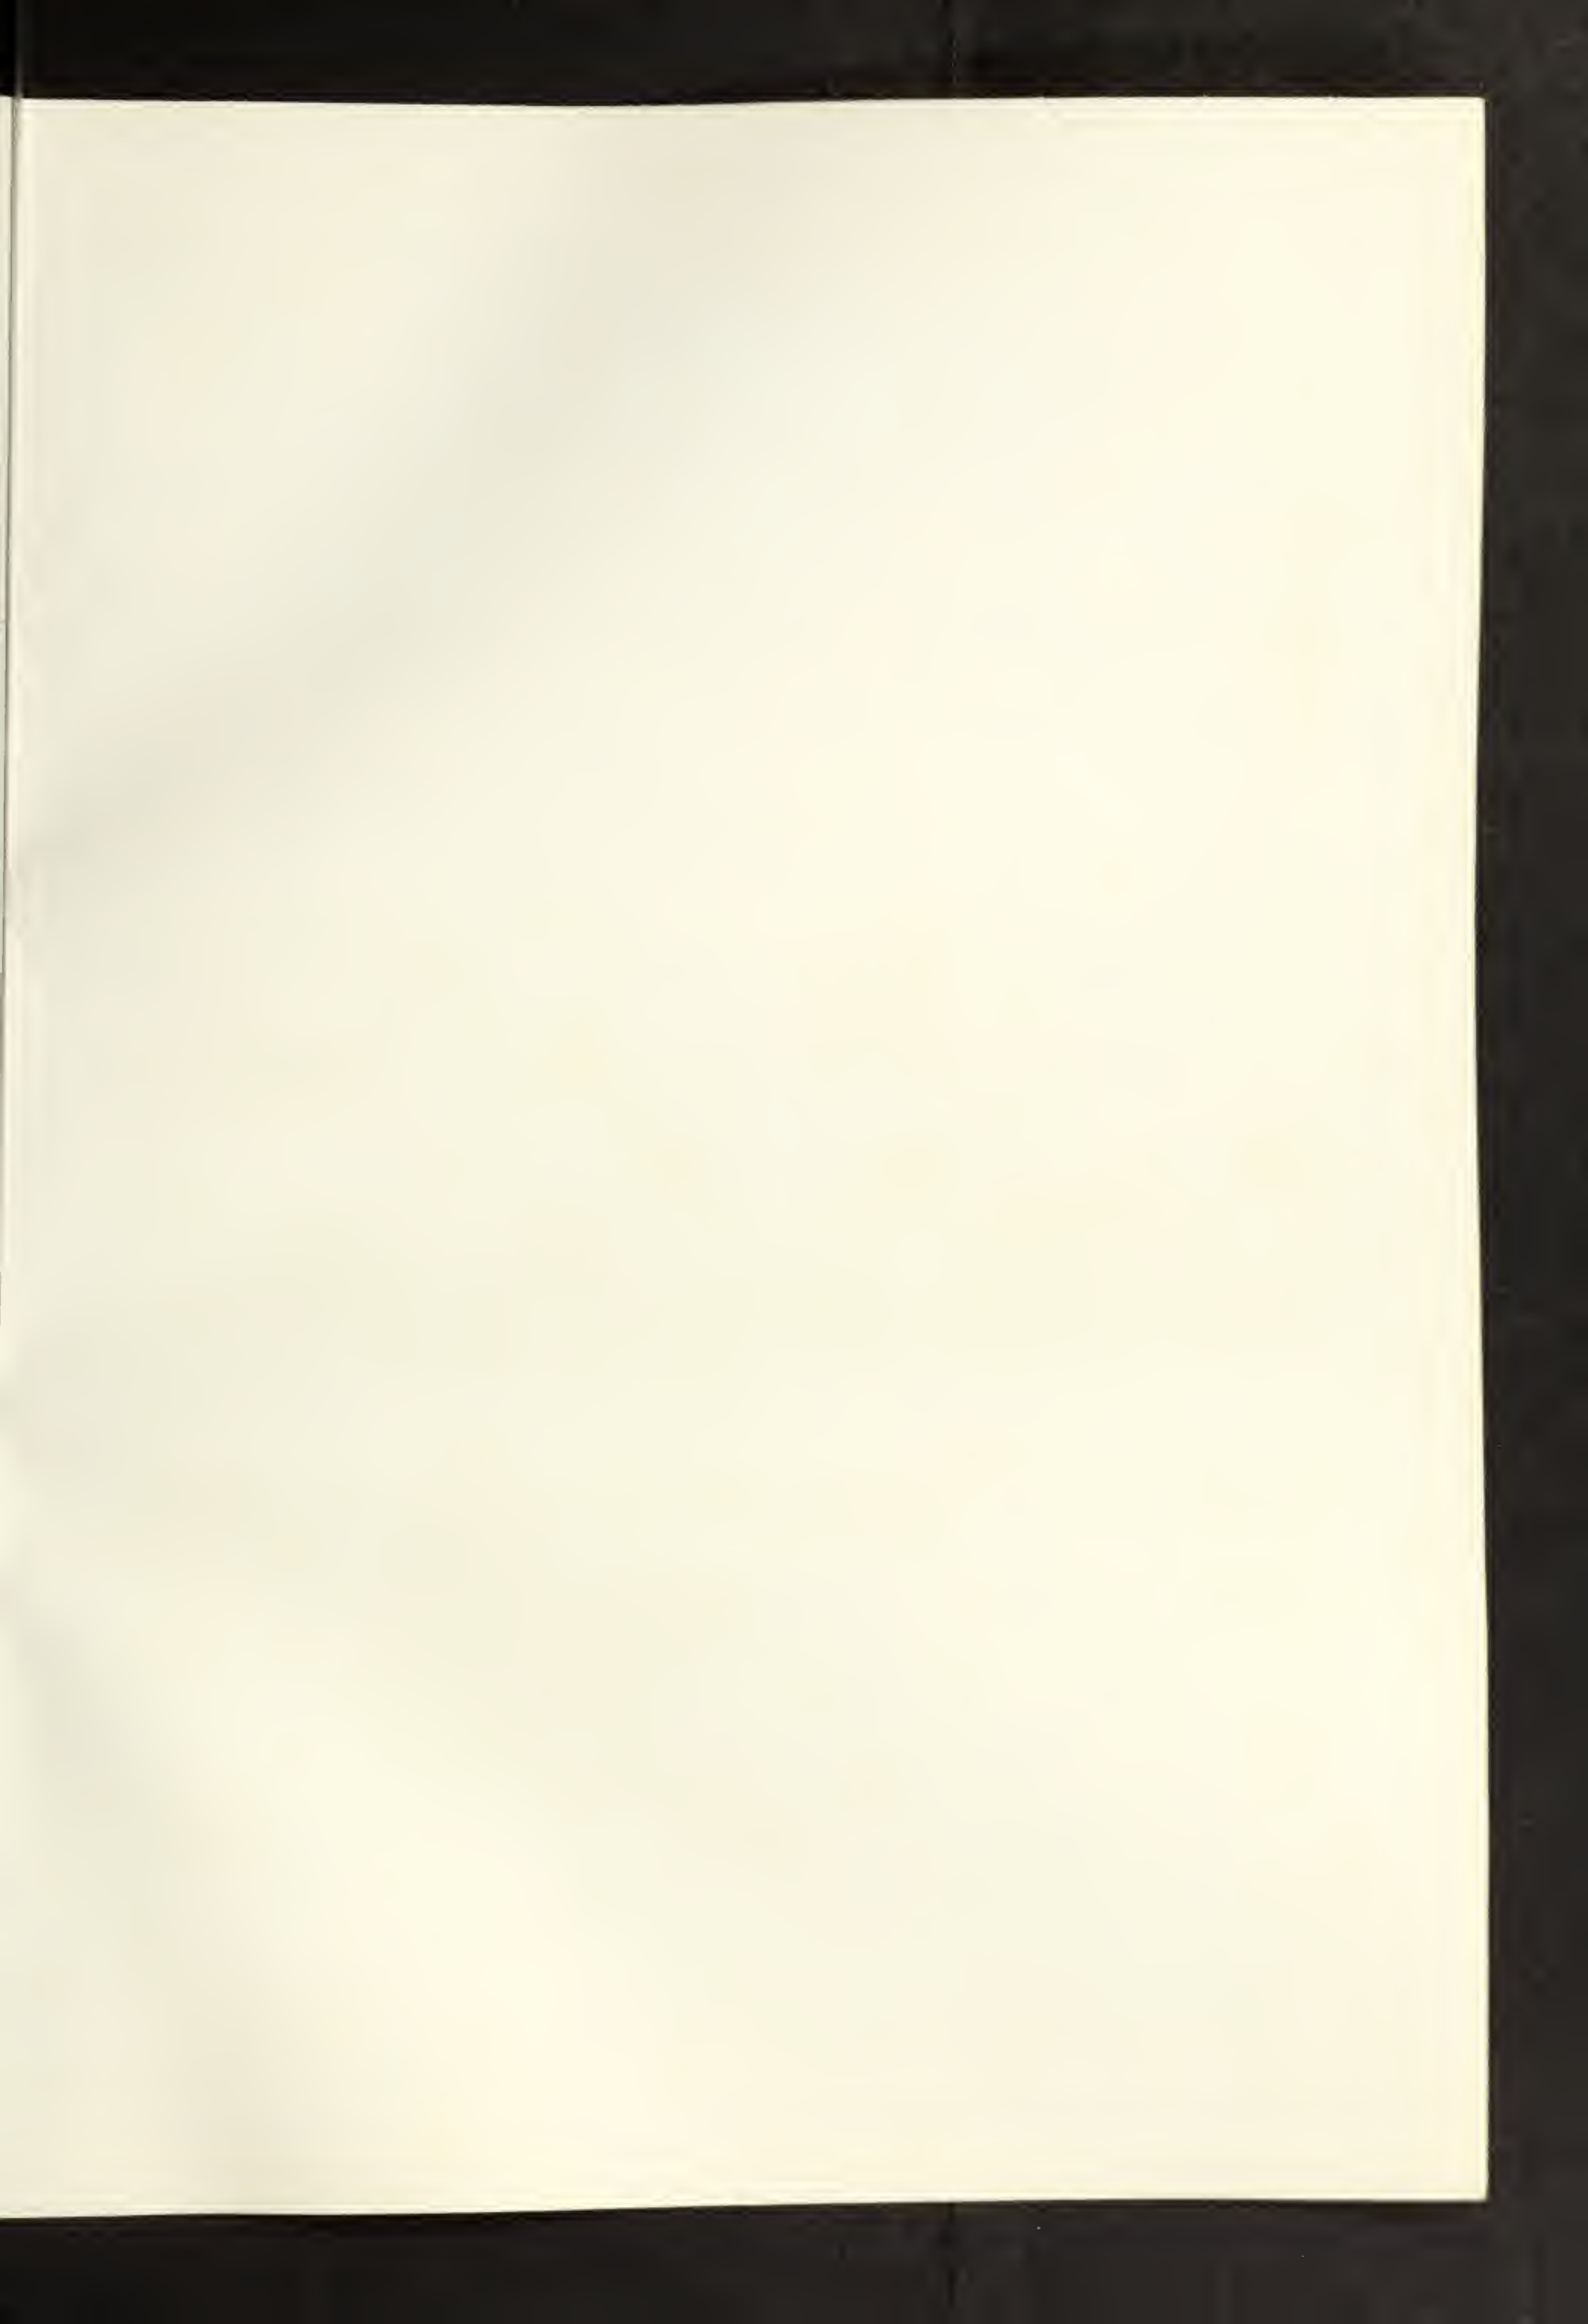

*"Nice work-Joe!"*

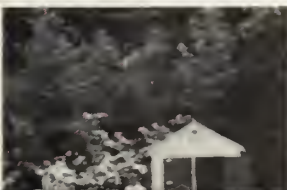

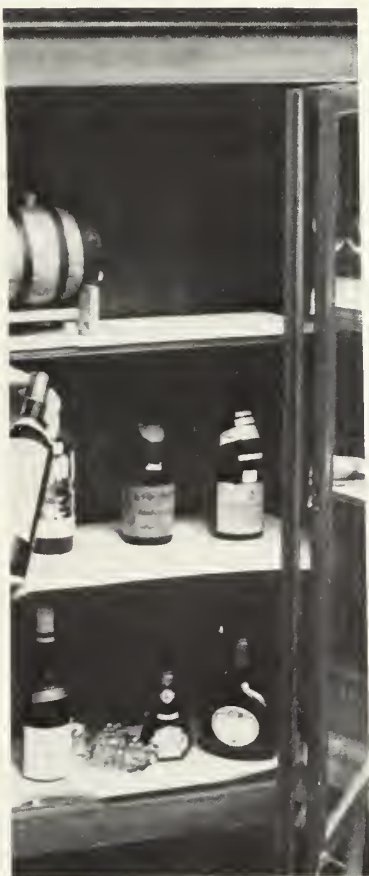

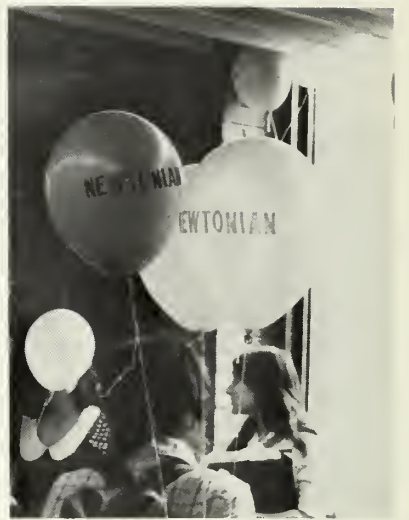

# supplement newtonian 1974

It was late May, and as summer approached, the student body demanded a release from the everyday routine. The solution for this; Expo Main Street. It was a success in every way. There were games of skill, demonstrations, and plenty of food available, all of which combined to offer a day of fun.

## PLAYS

### LE MALADE IMAGINAIRE

The highly talented cast of the all-school French play, "Le Malade Imaginaire" worked long and hard under the brilliant direction of Mr. Phelan to create an unforgettable performance. The superb efforts of David Hastings, Mary Elliot, Alex Wyman, Judy Wyman, David Freedman and all the others in the cast served to overcome the language barrier to present a witty, delightful play.

"The Fantastiks", performed, produced, and directed by students, provided a very memorable performance. Starring Diane Smith, Keith Curran and Frank Aronson, the story of young love was beautifully done. Credit should also go to the rest of the cast, student director Steve Bronk, and faculty adviser Ray Smith.

### THE FANTASTIKS

# LACROSSE

Winning their division and qualifying for the State Tournament, this year's Varsity Lacrosse Team can lay claim to being the number one spring sport at Newton North.

The team rolled to a 5-1 league record with the steady play of three players, Gary Herendeen, who scored four goals in the All-Star game, Jeff Senior at midfield and goalie Steve Forte. Other key performers were Steve Blauer, Fred Boudreau, Bussy Adams, Tri-Capt. Jerry Kelleher, Mark Marini, Kevin O'Dowd, Mark Riley, Dick Doolin, and Dick McCarty.

**Front Row:** Fred Boudreau, Jay Murphy, Gardner Oleson, Tri-Capt. Steve Forte, Tri-Capt. Gerry Kelleher, Tri-Capt. Gary Herendeen, Kurt Pohlman, Steve Blauer, Jeff Senior, Peter Devito. **Middle Row:** Kim Hatton, Mark Marini, Kevin O'Dowd, Mark Riley, Mark Johnson, Ken Hagerstrom, T. J. Dargon, Doug Jessup, Chris Jones, Head Coach Tom DePeter. **Back Row:** Rick McCarty, Paul Flynn, Bussy Adam, Jon Visakis, Steve Cutter, Pat Ball, Sal Yeradi, Dick Thomas, Dick Doolin, Coach Joe Picarello. Missing: Chris Terranova, Ned Pendergast.

# BASEBALL

Although the baseball team failed to qualify for the Eastern Mass. Tournament, the season must be considered a success.

An enthusiastic team effort enabled them to win their first five games. After winning these, they went on to lose the next six out of eight.

With this record of seven wins and nine losses, Newton had to win their remaining seven games. The team won six out of the seven. Weymouth South, Newton's last opponent, just squeezed by, defeating Newton after Dana Foley laid down what seemed to be a perfect suicide, squeeze bunt. But a shoe string catch by their pitcher and his throw to third ended the rally and the Tiger's season.

Starters Keith Glasser, Kevin Moore and Capt. John Connolly must be congratulated for their performances throughout the season. Stephen Dibenedetto was selected first team All-Suburban third baseman, and also the recipient of the Billy Hamill Award as the City of Newton's outstanding baseball player. Bobby Kinsella was selected All-Suburban first team and co-winner of the Tiger's Most Valuable Player along with Stephen Dibenedetto.

Congratulations team and coaches for a fine season!

First Row, L. to R.; S. Dibenedetto, E. Aucoine, R. Cunningham, R. Vona, K. Moore, Co-Capt. J. Connally, Co-Capt. J. Rondina, W. Bertrand, D. Foley, J. Carey, J. Sullivan. Second Row, L. to R.; Coach T. Murnane, Trainer J. Glynn, D. Turner, J. Astone, K. Glasser, J. Ryan, S. Cononico, Coach E. Fraktman.

# TENNIS

## BOYS

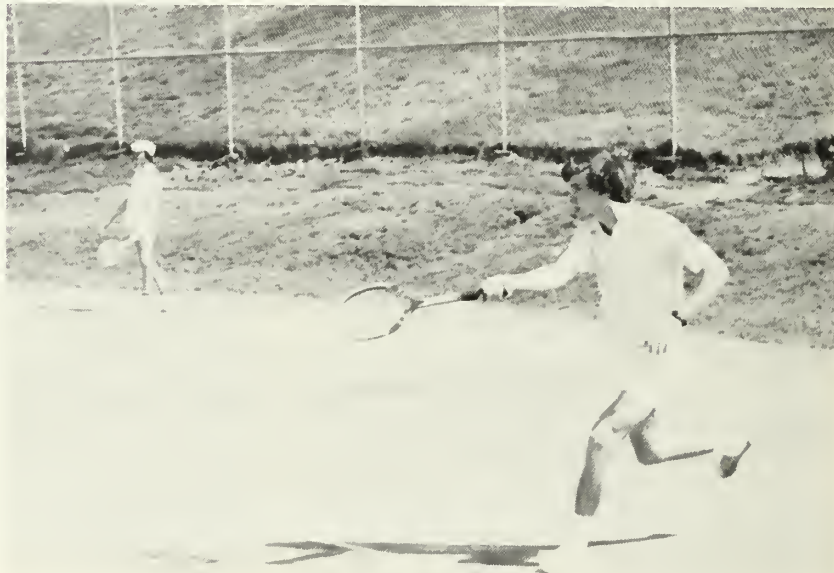

The 1974 Boys' Tennis Team was one of the great successes of the season. This year's team compiled a 17-4 record during the regular season and qualified for the State Tournament quarter-finals.

The team's success can be attributed largely to the consistent play of top player Neal Kravitz, the fine record of John Kosa, the third singles player, and more importantly, outstanding performances of the doubles teams all season.

Next year's team will miss the services of Bob Low, Stu Brightman, Dave Bikofsky, and Chip Lang. Next year promises to be another good season with three of this year's top players returning.

First Row, L. to R.; Bob Lowe, Neil Kravitz, Lincoln Frank, and Baird Haney. Last Row, L. to R.; Coach Jessup, Stu Brightman, Chip Lang, and David Bikofsky.

First Row, L. to R.; Helen Fuchs, Heidi Blau, Debbie Karoff, Celia Moffie, and Coach Pat Steele. Second Row, L. to R.; Maurine Culbertson, Debbie Halpern, Pam Pollen, Kathy Haney, and Allison Toney.

## GIRLS

The 1973-74 Girls' Tennis Team finished the season with an excellent 16-2 record. Leading the team to a fine record were: Seniors Captain Kathy Haney and Allison Toney. Other contributions were made by Sophomore standout Celia Moffie, Juniors Beth Haney, Debbie Karrof, Pam Pollen, Helen Fuchs, Maurine Culbertson and Sophomore Heidi Blau.

## GIRLS

There was something new in spring sports at Newton North this year — Girls' Track. Beginning as a club next year, the returning members hope to officially become a team. Although their record of 0 wins and 4 losses in uninspiring, coaches Mr. Martin, Mr. Phillips, Miss Cradle, Mr. Flanagan, and the two dozen returning members agree next year's team will show the benefits of this year's experience.

## BOYS

Newton's track team kept up its status as one of the best in the Suburban League, despite the absence of Coach Lamoine Boyle.

The team ended up with a 6-2 record, suffering close defeats to Brockton and Weymouth South. The team was led by Captains Joe Marella and Peter Waxman, as seniors Bill Fulton, fourth in the hurdles in the State Championships, Bill Seaward, a fine pole vaulter, and Ed Harutunian, an excellent long jumper, all made significant contributions. These performers were joined by underclass stars David Berquist, Artie Murphy, Bob Meek, and Gary Tutungian.

A lot of credit must also be given to coaches Fred Yaitanes and Bob Malone who filled in for Mr. Boyle.

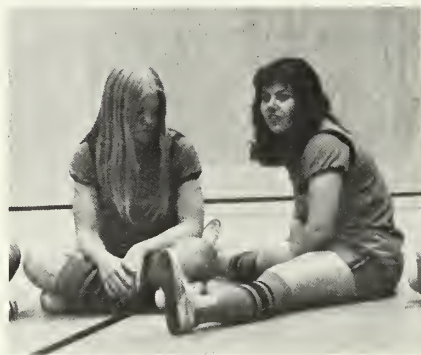

## VOLLEYBALL

First Row, L. to R.; Julie Deligianides, Shirley LeBlanc, and Barbara Womboldt. Second Row, L. to R.; Sharon Cushman, Patty Higgins, Coach Julie Cradle, Cheryl Griffen, and Eileen Womboldt.

Newton's Volleyball team didn't exactly wipe their opponent's knee-pads off, but as Mrs. Cradle said last year, "Wait till next year . . ."

First Row: Blakely, Linda Quintiliani, Judy Capello, Coach Getrost. Second Row: Ann Duffy, Karen Smith, Linda Kreider, Brenda Mastromatti, Anne Jones. Third Row: C. Ciocca, Tina Tsiand, Patty Gardener, Sandy Geller.

## SOFTBALL

The Girls' Softball Team finished this year with a disappointing 8-10 record. What made up for this was the excellent team spirit each member of the team possessed.

The team can expect sophomores Linda Kreider, Chris Cisca, Maria Brady, and junior Debbie Blakely to make next year's team a good one.

# GOLF

L. to R. Peter Jepsen, Dave Brilliant, Ross Doherty, Kevin Ball, John Mescall, Jim Billings, Roger Smith, Paul Leone, Coach Ronayne.

The Newton North Boys' Golf Team finished this season with an outstanding 15-1-1 record in regular season play. The team was led by Captain Kevin Ball, John Mescall, and outstanding junior Dave Brilliant, next year's captain.

# SAILING

This year's sailing team closed its season with a fine 6-1 record.

The team was led by Captain Mark Barrow and top sailor Peter Jerome, next year's Captain.

# GRADUATION

It was short and sweet as everybody wanted. For the second year students were selected by the Graduation Committee to speak at Graduation. Contrasting speeches were given by David Regal and A.F.S. student Colleen Butcher. As David's speech progressed, an inappropriate display of fireworks accented his words.
